RECIPE IDEA

Baked Penne with Meatballs

8 Marisa Premium Quality Meatballs (2-ounce size) diced 1/4-inch

1 medium onion, diced

1 red bell pepper, diced

6-ounces sliced mushrooms

2-ounces olive oil

1 tablespoon oregano

4-ounces mozzarella cheese, shredded

1-quart Marisa Premium Quality Spaghetti Sauce

1 lb. ricotta cheese

24-ounces pre-cooked penne (or other short, round pasta)

- In a medium-sized skillet, sauté meatballs, onions, olive oil, red pepper, mushrooms, and oregano. Add salt and pepper to taste. Once mixture is cooked, set aside.

- Cover the bottom of a medium-sized lasagna pan with 1-cup of Marisa Premium Quality Spaghetti Sauce. Place pre-cooked pasta in pan, then add meatball mixture, half of the mozzarella, and the remaining spaghetti sauce. Mix well. Place tablespoon-sized dabs of ricotta cheese at regular intervals on top of pasta and sprinkle remaining mozzarella over the top. Cover with aluminum foil and bake in a pizza oven for approximately 20 minutes. Remove aluminum and bake for ten minutes more or until ricotta begins to brown. Garnish with Marisa Premium Quality Grated Romano and serve.
