

Spaghetti Sauce

If you are looking for a tangy, just like homemade spaghetti sauce that is reminiscent of Old World Italian cooking, look no further than Marisa Brand Spaghetti Sauce. We brown the onions and sausage in pure olive oil before adding our premium quality tomatoes and proprietary blend of spices. Our sauce is then covered and left to simmer for hours to give it that rich, savory flavor that complements an assortment of pasta and meat dishes. For a meatless option of equal appeal, try our Marisa Brand Marinara Sauce.
